Report of the Secretary-General on the work of the Organization

Addendum

On 11 September, less than 24 hours after my annual report was issued, our host city was subjected to a cold-blooded and vicious terrorist attack. I wish to express my profound sympathy to the victims, to their loved ones and to the people and Government of the United States of America. Terrorist acts are never justified. I condemn these deliberate acts of terrorism and those who planned and carried them out in the strongest possible terms.
